The Issuer has appointed Mastercard Prepaid for the purpose of providing the distribution and processing services mentioned below. The Issuer can be contacted at Locked Bag 5, Fortitude Valley, BC QLD 4006 or via phone 1300 739 889.

Product distributor

Mastercard Prepaid Management Services Australia Pty Ltd ABN 47 145 452 044, AFSL 386 837 (‘Mastercard Prepaid’) distributes the product and supplies the processing services for the Everyday Card (including services and systems necessary to issue and process all transactions on the Everyday Card) and is responsible for customer service. The Everyday Card is offered for sale online and through participating Australia Post Outlets under an arrangement with Mastercard Prepaid. The Australia Post Outlets through which the Everyday Card can be applied for and purchased are Mastercard Prepaid’s agents and are not authorised by the Issuer or Mastercard Prepaid to give advice about the Everyday Card.

Product seller

Australian Postal Corporation ABN 28 864 970 579, AR No 338646 (‘Australia Post’) is an authorised distributor of the Everyday Card and is an Authorised Representative of Australia Post Services Pty Ltd ABN 67 002 599 340, AFSL 457551.

Neither Australia Post nor its related bodies corporate are responsible for the Card.

The Everyday Card can be purchased, loaded with value and reloaded with value at participating Australia Post Outlets and online at auspost.com.au/everydaycard. Other reload channels may also be made available to you from time to time, details of which will be published on auspost.com.au/everydaycard.

What is the Australia Post Everyday Mastercard?

The Everyday Card is a reloadable, contactless, prepaid payment facility which allows you to preload your own funds in Australian Dollars. Unless stated otherwise, references to currency in this PDS are to Australian dollars (AUD).

You can use your Everyday Card to make purchases and withdraw cash overseas and in Australia wherever Mastercard® is accepted. The Everyday Card can also be used online or over the phone at merchants that accept Mastercard.

Significant benefits

The significant benefits to which you will or may become entitled to include:

Convenient

The Everyday Card is a convenient way for you to make everyday purchases like shopping online or paying bills, enabling you a simple and easy way to use and manage your money. You can use it online or to pay directly for goods and services at merchants who accept Mastercard, or withdraw local currency from ATMs displaying the Mastercard acceptance mark.

Note that, although the Mastercard acceptance mark may be displayed, in some countries the Card may not operate due to restrictions imposed by Mastercard. You can find information regarding the countries where restrictions apply on the website. Please also note that the Card cannot be used for manual (non-electronic) transactions. In addition, the Card must not be used for any unlawful activity. You agree to never give your Card or PIN to another person.

Reloadable

The Card Fund is reloadable, which means that during the life of the Card, value can be loaded multiple times within the applicable limits. This means that you can reload more funds to the Card Fund before you shop. If you do go travelling with your Everyday Card and have money left on your Card Fund at the end of your travels, you can withdraw your remaining balance in Australian Dollars, or spend domestically or online using the Card.

Load/reload transactions are subject to fees, other costs and card limits set out in the Fees and Other Costs section and the Card Limits section of this PDS. In-Store Load and Online Load services are provided to you by Mastercard Prepaid.

In-Store load

Your Everyday Card can be loaded and reloaded at any participating Australia Post Outlets when you present your Card Account Number and valid photo ID ("in-store load").

Online load

You can load additional funds onto your card at auspost.com.au/everydaycard. Once you complete your load/reload transaction instruction you will be able to make payment for the transaction using Bank transfer or a Debit Card via your financial institution or using other such methods made available on the website from time to time.

Load methods

Funds can be loaded by Bank Transfer directly via your own internet banking.

BSB: 016-964

Account number: 9 digit account number to be retrieved from 'My Account'

Account name: "Your name"

Bank transfer loads will generally take one business day to be processed however may take longer if the payment is not made before 2 PM on a business day Australian Eastern Standard Time.

Safer than cash

For additional security, your Card is chip and PIN protected and has a signature panel on the reverse. You have access to our 24 hour Global Emergency Assistance for immediate assistance in the event your Card is lost or stolen, you have forgotten your PIN, or if you think your PIN's security has been breached. You are also protected with Mastercard's Zero Liability card protection and safety. Further information relating to Zero Liability card protection can be found at <https://www.mastercard.com/global/en/personal/get-support/zero-liability-terms-conditions.html>

When available, your Card will be automatically registered for the Mastercard Securecode service, which is a service designed to protect you from fraud. It will give you extra protection when you are shopping online using your Card. When purchasing goods online using the Card, it will assess the transaction that's taking place. Mastercard Securecode will either authorise the transaction automatically or you might be asked to enter additional information for example the 6 digit SMS password sent to your registered mobile phone number or some personal and Card information. Please ensure we have your correct mobile phone number to receive relevant password information. The Mastercard Securecode service is provided to you by Mastercard Prepaid and not the Issuer.

Contactless

Your Card is Mastercard contactless enabled. Mastercard contactless is the faster way to pay for purchases under the applicable transaction limit (AUD 100 in Australia) without signature or PIN. Just tap your Card against the reader and go. For more information, please visit <https://masterpass.com/en-au/>. Transaction limits for contactless transactions may change from time to time. For transactions above the limit, additional authorisation is required. Different transaction limits apply in different countries.

Easy

Once activated, your Everyday Card enables you to load funds and enjoy the benefits of a smarter, safer way to shop online or on those everyday purchases. You can also easily manage your Card online from checking your balance to topping up funds – it has never been easier via the mobile app or 'My Account'.

Things you need to know before purchasing an Australia Post Everyday Mastercard

Significant risks

Security

It is important that you safeguard your Card details, your PIN and any other passwords, equipment or software required for your operation of the Everyday Card. If you do not, then you may be liable for unauthorised transactions and other amounts as explained further in the Terms and Conditions. You may also have other liabilities, and our liability may be limited, as described in the Terms and Conditions. There is a risk of unauthorised or mistaken transactions being made through the Everyday Card.

In certain circumstances, the Issuer's liability in respect of unauthorised or mistaken transactions is limited, meaning that you may still be liable for the transaction.

In some circumstances the Issuer may not be liable for losses that are not caused by the Issuer's fraud, negligence or wilful misconduct (including that of its officers, employees, contractors or agents), including where the losses are excluded in the Terms and Conditions, or in the event of equipment or system failure, financial scam or fraud (including consequential losses) meaning that you may still be liable for the transaction and consequential losses. The amount that may be withdrawn using a Card may be limited by the ATM operator or merchant. In some cases, the way in which a point of sale transaction is processed will depend upon the functionality of the equipment used.

Service availability

In some circumstances, there is a risk that ATM or point of sale services may not be available for a period of time. The Issuer and Mastercard Prepaid are dependent upon the reliability and operational processes of technology and communications providers, with respect to computer and telecommunications network. While all parties seek to achieve 100% availability, process and service disruptions may occur periodically. The Card must not be used for manual (non-electronic) transactions (eg, imprinters, click-clack machines or offline transactions).

Card expiry

Each Card has an expiry date. The expiry date is printed on the front of the Card. The Card cannot be used after it has expired. However, you will still be able to cash out, less any applicable fees

Pre-authorisation

Certain businesses (e.g. hotels, cruise lines and car rental companies) may ask for pre-authorisation of the estimated cost of the final bill. If the Card is used for this purpose, this pre-authorised amount will be temporarily unavailable (and in some cases for up to 30 days). Only the actual amount of the final bill will be deducted from the Card Fund balance.

The merchant must inform you of the currency in which the transaction will be processed before you accept the transaction. By signing the receipt, entering a PIN or completing the transaction you accept the currency offered by the merchant or ATM owner. The currency in which you have authorised the transaction will appear on the transaction receipt.

Accepting the offer to settle in another currency may result in unnecessary conversion costs as the merchant may apply a foreign exchange margin to convert the transaction currency into another currency. In addition, the Spend Rate may apply in accordance with clause 9 of the Terms and Conditions.

You should consider carefully the offer to complete the transaction in another currency.

Loading large amounts of currency

The risks of the Everyday Card described above may be increased when loading large amounts of money onto the Everyday Card. There is no interest payable to you in relation to the Card Fund.

Third party limits

The amounts withdrawn or used for purchases using the Card may be limited by the ATM operator, merchant, or regional regulatory limits as relevant.

Section B – Terms and Conditions

1 Understanding these Terms and Conditions

- 1.1 All amounts of money specified in these Terms and Conditions are in Australian dollars (unless otherwise specified).
- 1.2 References to days, times or periods of time in these Terms and Conditions are reckoned according to Australian Eastern Standard Time.
- 1.3 These Terms and Conditions govern the use of the Everyday Card.
- 1.4 You agree to these Terms and Conditions by applying for the Card, activating a Card, signing the back of a Card, using a Card in any way including loading/reloading funds onto the Card, making a purchase or withdrawing cash from an ATM using the Card.

2 Issuing of cards

- 2.1 You should memorise the PIN to prevent unauthorised use of the Card. You must also follow the rules on Card security (see clause 12 below).
- 2.2 The Card is the Issuer's property. The Issuer may suspend use of the Card and/or ask that you return the Card with at least 14 days' notice to you. However, we may suspend and/or ask that you return the Card immediately and without notice if:
 - a) the Issuer has reason to suspect the Card has been or is likely to be misused;
 - b) you breach any of these Terms and Conditions and the Issuer reasonably considers that this is likely to have a material impact on your ability to meet the obligations of these Terms and Conditions;
 - c) the Issuer has reason to suspect any illegal use of the Card, such as fraud or criminal activity; or
 - d) you gave us or the Issuer false, inaccurate or incomplete information when you applied for the Card.
- 2.3 You must ensure that the Card is promptly returned to the Issuer if it asks you to do so.
- 2.4 The Card is not a credit card and, subject to the Card Fund becoming overdrawn (which is prohibited), all use is limited to the amount loaded to the Card Fund and any other limits referred to in these Terms and Conditions.
- 2.5 There is no interest payable to you on the balance of the Card Fund.
- 2.6 Amounts can be added to the Card Fund only as specifically provided in these Terms and Conditions.
- 2.7 The Card Fund does not amount to a deposit with the Issuer and the amount standing to the positive balance of the Card Fund does not count as an amount or deposit for any purpose, other than as described in these Terms and Conditions.
- 2.8 The issuance of a Card is subject to you satisfying the relevant application criteria, as determined by us from time to time in order to meet customer identification and 'know your customer' requirements set by law, including by providing us with sufficient information and proof in relation to your identity. We may limit application criteria to drivers licence and/or passport holders of particular countries or by reference to particular types of identification if we reasonably believe this is necessary for 'know your customer' or due diligence purposes. In certain circumstances we may also ask you to provide us with additional details, including but not limited to your source of funds, that we may reasonably require to meet our legal requirements. We may ask you to provide additional information in relation to your identity and/or source of funds at any time, as we may reasonably require to meet our legal requirements.
- 2.9 We reserve the right to refuse an application at our sole discretion on any lawful grounds, including but not limited to where we are unable to satisfy ourselves as to your identity or where your profile is inconsistent with our customer profile for the Card.
- 2.10 You must provide all information to us which we reasonably require in order to manage anti-money laundering or counter-terrorism financing and economic and trade sanctions risks or to comply with any laws or regulations in Australia or any other country.
- 2.11 Where these Terms and Conditions permit us to suspend a transaction or your use of the Card for any reason, we will investigate the grounds for the suspension as soon as reasonably practicable. Where we are reasonably satisfied that there is no ground to continue the suspension, it will be released as soon as practicable.

3. Activation

- 3.1 If you purchase your Card online you must activate it by registering and logging in online.
- 3.2 If you purchase your Card in-store, your Card will be activated upon load unless otherwise notified to you.

4. Expiry

- 4.1 The expiry date is printed on the front of the Card.
- 4.2 The Card cannot be used after it has expired. However, you will still be able to obtain a refund of the Card Fund balance, less any applicable fees (refer to Fees and Other Costs section and the Card Limits section of this PDS).

5. Use of the card

- 5.1 The Card may, subject to any applicable fee, be used to withdraw cash from an ATM displaying the Mastercard® acceptance mark and/or to pay for goods and services at merchants, or online, where Mastercard is accepted. The Card cannot be used for manual (non-electronic) transactions. In addition, the Card must not be used for any unlawful activity. You agree to never give your Card or PIN to another person.
- 5.2 When using your Card at POS terminals and ATMs, you must select “credit” and not the “cheque” or “savings” option. Please note that by selecting “credit” you are simply accessing the Funds through the Mastercard payment scheme; you are not provided with any credit by the Issuer or any other person (although if a Negative Balance occurs, then you will have to repay the amount owing – see clause 7.6 below). Unless the transaction is a Mastercard contactless transaction, you will then be asked to enter your Card PIN or provide a signature to confirm the transaction.
- 5.3 Although the Mastercard acceptance mark may be displayed, in some countries the Card may not operate due to restrictions imposed by Mastercard. Details of the countries in which the Card will not operate are available on the website.
- 5.4 When a Card is used to purchase fuel at an automated fuel pump the Card Fund must have a minimum balance of AUD 80.00 (or foreign currency equivalent). In addition, if a Card is used to make a telephone call there must be a minimum of AUD 11.00 (or foreign currency equivalent). If you spend less than these minimum amounts any unused balance may be temporarily unavailable.
- 5.5 When a Card is used at bars or restaurants an additional percentage (usually, but not necessarily, 20%) may be automatically added as an anticipated service charge or tip and debited to the Card Fund. If your actual service charge or tip is less, any unused balance may be temporarily unavailable.
- 5.6 Certain businesses may not accept the Card as a means of pre-authorising expenditure. If the Card is used for this purpose, some businesses (such as hotels, cruise lines and car rental companies) may pre-authorise the estimated amount of the final bill and this amount will temporarily be unavailable for up to 30 days. Only the actual amount of the final bill will be deducted from the Card Fund.
- 5.7 When a Card is used to purchase goods for delivery by mail or online an additional 10% may be automatically added as an anticipated delivery charge. If the actual delivery charge is less, any unused difference may be temporarily unavailable.
- 5.8 Subject to the application of clause 9.5, the applicable balance will be debited with the amount of each cash withdrawal or transaction and any fee and these debits will reduce the balance of the total Card Fund. Except for contactless transactions that do not require authorisation or validation, each transaction will require authorisation or validation before completion.
- 5.9 You agree to accept a credit to your Card Fund if you are entitled to a refund or other credit for any reason for goods or services purchased using the Card.
- 5.10 A transaction or payment cannot be cancelled once you authorise the use of the Card.
- 5.11 The ATMs and point of sale terminals are not owned or operated by the Issuer or Mastercard Prepaid and the Issuer and Mastercard Prepaid are not responsible for ensuring that they will accept the Card.
- 5.12 You must comply with all laws and regulations (including any foreign exchange controls) in respect of the Card in the country of purchase and/or use.
- 5.13 By successfully applying for and using the Everyday Card, you acknowledge and agree that we do not provide and you will not receive paper statements unless you contact us to request a paper statement. Electronic statements showing the Card’s transactions and Card Fund balance are available by logging in online at the website.

- 5.14 If a person reports that a mistaken payment has been made from the person's account to your Card Fund, you agree that:
- a) we may inform that person's financial institution whether or not your Card Fund has sufficient funds to cover the mistaken payment; and
 - b) we may freeze those funds (until the matter is resolved, which we will use reasonable endeavours to do as soon as practicable), or debit those funds from your Card Fund.
- 5.15 Where required by relevant law, for example where we reasonably believe you to be a Proscribed Person, you acknowledge that we may be required to block access to the Card and/or Card Fund and immediately refuse to process or complete any transaction or suspend or terminate our arrangements with you. You agree that under these circumstances we are under no liability to you, except to the extent there has been fraud, negligence or willful misconduct on our part (including that of our officers, employees, contractors or agents).
- 5.16 You agree that we may delay, block or refuse to process any transaction without incurring any liability if we suspect that the transaction:
- a) may breach any laws or regulations in Australia or in any other country;
 - b) involves any person (natural, corporate or governmental) that is itself sanctioned or is connected, directly or indirectly, to any person that is sanctioned under economic and trade sanctions imposed by the United States Office of Foreign Assets Control, United Nations, the European Union or any country; or
 - c) may directly or indirectly involve the proceeds of, or be applied for the purposes of, any unlawful conduct.
- You agree that under these circumstances we are under no liability to you, except to the extent that the liability is caused by our fraud, negligence or willful misconduct (including that of our officers, employees, contractors or agents).

6. Card limits

- 6.1 Most ATM operators limit the minimum and maximum amounts that can be obtained in a single transaction. These amounts may also be limited (in some countries) by regulatory controls.
- 6.2 Other limits are also applicable to the use of the Card, as set out in the Card Limits section of this PDS.

7. Card fund

- 7.1 Until the expiry of the Card you can add additional funds to the card through participating Australia Post Outlets (who will advise you of the acceptable methods of payment), online using accepted payment methods, or through other methods made available from time to time, subject to certain limits and subject to any applicable fees (refer to the Fees and Other Costs section of this PDS or as communicated to you from time to time). Bank Transfer will generally take up to two Business Days to be processed however may take longer if the payment is not made before 2PM on a business day Australian Eastern Standard Time. Debit card loads can only be made using a Mastercard debit card or Visa debit card held in your name. We may, with or without notice and without incurring any liability to you suspend or decline a Debit Card Load transaction in order to comply with any laws or regulations in Australia or any other country (including to manage anti-money laundering or counter-terrorism financing risks). We do not incur any liability to you where this occurs, except to the extent that the liability is caused by our fraud, negligence or willful misconduct (including that of our officers, employees, contractors or agents). Funds loaded using Debit Card Load will be available for use instantly.
- 7.2 For security purposes, please memorise your PIN. You should not keep your PIN written anywhere near your Card. If you forget your PIN, you can obtain a PIN reminder by going online and following the prompts or by calling Card Services and answering the security questions.
- 7.3 You may also be able to make a balance enquiry at some ATMs although availability is dependent on the country and the ATM used. There may be a fee payable (to the ATM operator) for balance enquiries.
- 7.4 If an ATM displays a balance for the Card Fund, then this may be displayed in AUD or in a different currency, in which case the exchange rate applied may be different to ours and minor discrepancies can arise. It is not recommended that you rely on the balance displayed at an ATM.
- 7.5 Information sent over the internet may not be completely secure and the internet and the online systems are not controlled or owned by the Issuer or Mastercard Prepaid so neither the Issuer nor Mastercard Prepaid can guarantee that they will function at all times and the Issuer and Mastercard Prepaid accept no liability for unavailability or interruption or for the interception or loss of Personal Information or other data, except to the extent that the liability is caused by our fraud, negligence or willful misconduct (including that of our officers, employees, contractors or agents).

- 7.6 The Card Fund can only be used if it has a positive balance. If your Card Fund becomes overdrawn, and a Negative Balance arises, following any transaction authorised by you, the resulting debit balance becomes a debt payable by you to the Issuer and we retain the right to recover this debt. If the Card Fund does become overdrawn, every attempt should be made by you to stop subsequent transactions.
- 7.7 If you notice any error in any transaction in the Card Fund then you must notify Mastercard Prepaid promptly. The Issuer or Mastercard Prepaid may request you to provide additional written information concerning any error and you must comply with that request to the extent reasonable. Please note Mastercard Scheme Rules impose time limits after the expiry of which our ability to dispute a transaction on your behalf may be lost.
- 7.8 Provided that you have complied with all reasonable requests for information we will correct the error, to the extent it was caused by us, our service provider, or our fraud, negligence or willful misconduct (including that of our officers, employees, contractors or agents). Where we reasonably determine that we are not liable for the error, we will notify you in writing or by email as soon as this decision is made. Where we are required to do so, we normally re-credit the Card Fund within 10 business days, although there may be a delay while investigations are completed.
- 7.9 If the Issuer or Mastercard Prepaid discover an error in the amount of any funds that have been loaded or reloaded onto the Everyday Card for any reason, we are authorised to correct this error without further notice, including but not limited to debiting any amount of funds from the Card Fund that have been loaded in error.

8. Fees

- 8.1 You agree to pay and authorise us to debit the Card Fund for the fees set out in the Fees and Other Costs section and the Card Limits section of this PDS. These fees may be deducted from the Card Fund as soon as they are incurred. Any such deduction of funds may be subject to a fee (refer to the Fees and Other Costs section and Card Limits section of this PDS).
- 8.2 Certain merchants may charge an additional fee if the Card is used to purchase goods and/or services. The fee is determined and charged by the merchant and is not retained by us.
- 8.3 The Card may, subject to any applicable fee, be used to withdraw cash from ATMs displaying the Mastercard acceptance mark.
- 8.4 If any amount payable under this PDS represents consideration for a taxable supply, then those amounts shall be taken to be exclusive of GST.

9. Foreign currency transactions

- 9.1 There are two instances where a foreign exchange rate will apply: a) Point of sale transactions where the transaction is in a currency that is not Australian Dollars on the Everyday Card) ATM withdrawals where the local currency is not Australian Dollars on the Everyday Card
- 9.2 If an ATM withdrawal or point of sale transaction is made in a currency other than Australian Dollars, the foreign exchange rate used is set and determined by Mastercard Prepaid and varies each day.

Examples

Example:

The following example is provided to assist you in understanding how the Spend Rate is applied when you conduct an ATM transaction in a currency that is different to the Australian Dollars on the Everyday Card. Although it describes an ATM transaction the same process will apply to POS transactions. You are travelling to Brazil and wish to withdraw Brazilian Real BRL 50.00 from an ATM there.

- Assuming the Spend Rate is AUD 1.00 = BRL 0.746 the AUD cost will be AUD 67.02 ($1/0.746 \times \text{BRL } 50.00$).
- If the merchant settles the transaction on the same day as the purchase, AUD 67.02 will be debited from your AUD balance. If the merchant settles on a subsequent day, then the rate that applies will be the Spend Rate on the day of settlement. You can obtain this exchange rate by contacting Mastercard Prepaid. Any withdrawal fee charged by an ATM operator will be charged in addition to the above amounts.

10. Cash out

- 10.1 You can cash out at any time by contacting us. You can also contact us if you want to close your Everyday Card.
- 10.2 The Issuer and Mastercard Prepaid may cancel or suspend the Everyday Card and/or terminate this agreement with you at any time with at least 14 days notice to you. However we may cancel or suspend the Everyday Card and/or terminate this agreement with you immediately and without notice if:
- a) we have reason to suspect the Card has been or is likely to be misused;
 - b) you breach any of these Terms and Conditions and we reasonably consider that this is likely to have a material impact on your ability to meet the obligations of these Terms and Conditions);
 - c) we reasonably suspect any illegal use of the Card, such as fraud or criminal activity; or
 - d) you gave us false, inaccurate or incomplete information when you applied for the Everyday Card.
- 10.3 If the Everyday Card is closed, we will refund any positive balance in your Card Fund (less any fees). You will receive payment in Australian Dollars for any cash out of your Everyday Card. The relevant amount will be deposited into your nominated Australian bank account. Any amounts that are not cancelled, pre-authorised or “held” amounts (see clause 5 above) will not be available for cash out until the pre-authorisation has been cancelled or the “held” amounts released by the merchant and the relevant amounts are available for spending or withdrawal.
- 10.4 Once the Everyday Card is closed, unless we instruct you otherwise, you must destroy the Card by cutting it in half diagonally, ensuring the chip is destroyed, and disposing of it securely.

11. Global emergency assistance

- 11.1 You are entitled to Global Emergency Assistance from Activation until expiry or closure of the Everyday Card. Global Emergency Assistance services are provided by Mastercard Prepaid.
- 11.2 The Issuer arranges for the Global Emergency Assistance services to be provided and is not the provider. The Issuer does not promise that the Global Emergency Assistance services will:
- a) always be available;
 - b) be suitable for any purpose; or
 - c) be provided to any particular standard.
- 11.3 You acknowledge that any changes to, or discontinuation of, the Global Emergency Assistance services can occur without the Issuer’s participation.
- 11.4 You also acknowledge and agree that:
- a) the Global Emergency Assistance services are used at your own risk;
 - b) the Issuer is not liable for any liability or loss arising in connection with the use by you of the Global Emergency Assistance services or because of the Global Emergency Assistance services being unavailable or discontinued, except to the extent that liability is caused by our fraud, negligence or willful misconduct (including that of our officers, employees, contractors or agents, other than Mastercard Prepaid);
 - c) you cannot make any complaint to the Issuer about the Global Emergency Assistance services; and
 - d) you do not rely on the Global Emergency Assistance services being available, being suitable for any purpose or being provided to any particular standard in deciding to purchase the Card.

12. Card security

- 12.1 You must make sure that you keep the Card, the Security Details and all Security Codes safe and secure by taking the following precautions (“Security Requirements”). You must not:
- a) allow anyone else to use the Card;
 - b) interfere with any magnetic stripe or integrated circuit on the Card;
 - c) unnecessarily disclose the Card number;
 - d) write any Security Code on the Card;

- e) carry any Security Code with the Card unless you make a reasonable attempt to protect the Security Code;
 - f) record any Security Code where it may be accessed by other people unless you make a reasonable attempt to protect the Security Code;
 - g) voluntarily disclose any Security Code to anyone else, including a family member or friend; or
 - h) fail to comply with any reasonable instructions we give about keeping the Card and any Security Details safe and secure; or
 - i) act with carelessness in failing to protect the security of the Security Code.
- 12.2 The Card will be disabled if an incorrect PIN is entered three successive times. If the Card is disabled, please contact Card Services to reactivate the Card. There may be a delay (usually 24 hours) in reactivating a disabled Card.

13. Loss, theft and misuse of cards

- 13.1 If you know or have reason to suspect that the Card is lost or stolen or damaged, likely to be misused or you have reason to suspect that someone else may know the Security Codes or Security Details, you must promptly notify Card Services. We will then suspend the relevant Card to restrict further use.
- 13.2 You may be required to confirm details of the loss, theft or misuse in writing (and to provide particular information in the confirmation) and you must comply with that request to the extent reasonable.
- 13.3 You must take reasonable steps to assist us and the police in any enquiries and attempts to recover a lost or stolen Card.
- 13.4 If any lost Card is subsequently found it must not be used unless we confirm it may be used.

14. Liability for unauthorised transactions

- 14.1 You will not be liable for losses resulting from Unauthorised Transactions where it is clear that you have not contributed to the loss.
- 14.2 You will not be liable for losses resulting from Unauthorised Transactions that are caused by the fraudulent or negligent conduct of:
- a) our staff or agents; or
 - b) companies involved in networking arrangements, or
 - c) merchants who are linked to the electronic funds transfer system or their agents or employees
- 14.3 You will not be liable when Unauthorised Transactions:
- a) happen using a Card after notification to us that the Card has been misused, lost or stolen or that the security of the relevant Security Codes has been breached;
 - b) happen before you receive a Card and/or PIN (including a reissued Card and/or PIN);
 - c) are made with forged, faulty, expired or cancelled Cards, Identifiers or PINs (as applicable); d) are the result of the same transaction being incorrectly debited more than once to the same Card Fund; or
 - e) are made using an Identifier without a Card or PIN.

- a) through your fraud; or b) by failing to comply with the Security Requirements, then you are liable for the actual losses which occur before we are notified of the loss, theft or misuse of your PIN or Card or a breach of the Security Requirements. However, you will not be liable for any loss on any day, or in any period, exceeding any applicable transaction limit for that day or period and you will not be liable for loss in excess of the balance of the Card Fund available for transactions using the Card.

If you leave your Card in an ATM, you will be liable for all losses arising from Unauthorised Transactions in relation to your Card as long as the ATM incorporates reasonable safety standards that lessen the risk of your Card being left in the ATM (e.g. ATMs that capture cards that aren't removed or which require a user to swipe and then remove a card before commencing the transaction).

- 14.5 Subject to clauses 14.1, 14.2 and 14.3, you will be liable for losses resulting from Unauthorised Transactions where we can prove on the balance of probability that you have contributed to the losses through unreasonably delaying notification of the misuse, loss or theft of a Card or that the security of the relevant PIN has been breached. Your liability in this case is limited to losses occurring between the time that you became aware of the security compromise, or should reasonably have become aware in the case of a lost or stolen Card, but you will not be liable for any loss on any day, or in any period, exceeding any applicable transaction limit for that day or period and you will not be liable for loss in excess of the balance of the Card Fund available for transactions using the Card.
- 14.6 Where a PIN was required to perform an Unauthorised Transaction, and clauses 14.1 to 14.5 do not apply, you will be liable for the least of:
- a) AUD 150;
 - b) the actual loss at the time we're notified of the misuse of the Card, loss or theft of the Card or of the breach of security of the relevant Security Codes (limited by the applicable daily or period transaction limits over the relevant timeframe); or
 - c) the balance of the Card Fund available for transactions using the Card.
- 14.7 For disputed transactions (including unauthorised transactions), the following will apply. You are responsible for checking your transaction history online and knowing your available balance. If the change is materially adverse to you, we will notify you at least 14 days before the effective date of the change. You can elect to not receive further notifications by clicking on the unsubscribe link in the marketing material or by contacting us.
